E-mail _____

As a Climate Communities member you will:

- Receive timely information on emerging clean energy and climate issues, including policy updates and grant announcements
- Participate in weekly webinars, national conferences, and other events
- Access archived recordings and presentation materials
- Share best practices with local governments across America
- Build relationships with key federal decision-makers
- Get strategic guidance on grant opportunities

Energy Block Grants Work! campaign activities:

- Letter to President Obama signed by more than 500 local elected leaders in support of FY 2012 EECBG funding
- EECBG support letters signed by Members of House of Representatives and Senate to President Obama
- Campaign toolkit, including model resolutions, draft press releases, draft event invitations, draft op-ed, and draft letter to President Obama
- Major media efforts, including reports, articles, press conferences, and editorials
- National report documenting local programs that are using EECBG funds to create jobs and reduce energy use
- Fly-ins to support FY 2012 EECBG funding
